

Mukesh Haritash

Joint Managing Director Chetak Group of Companies.

Founding Member : National Logistics Committee - FICCI, Delhi

Trustee : Chetak Foundation.

Experience : 31 years in Transportation & Logistics

A Delhi University alumni and Post Graduate in Management, Mukesh Haritash is the Joint Managing Director of Chetak Logistics, the leader in Logistics in India. Mukesh has Over three decades of experience in transportation and logistics, operations, budgets, management, and long-term strategic planning. Mukesh takes pride in his keen sense of decision-making, proficiency, strong work ethics, and self-motivation that helps him handle the challenges that arise on his journey to achieve his well-defined goals.

While pursuing Business Management Mukesh was tasked with the responsibility of expanding the family business. He closely worked with senior executives from all the major auto parts OEMs and worked on developing the key management strategies to improve upon the operational efficiency. During this time, decided to invest extensively in warehousing business and developed 3 million sq feet of warehousing space, across the major cities. Keeping up with the times, and technological advancements, Mukesh also took initiative to invest in IT & GPS technology, bringing in greater transparency and giving confidence to the customers.

As the Joint Managing Director of Chetak Logistics Limited, he has led by example, making the organization proud with his dedication, perseverance and all round motivation. As a young management graduate entrepreneur, he has spearheaded and revolutionized the market. For his achievement has been recognized by credible organisations. He was adjudged as the Youth Entrepreneur of the year (2010) by Mr Harsh Goenka - CMD, RPG Group, who personally acknowledged Mukesh.

Born in 1975 - young at heart and mind, Mukesh's mantra for success is simple, 'Let the spirit within you, grow.'
